

## THE GAZETTE.

WEDNESDAY EVENING, JULY 27, 1870.

**WARREN COUNTY AND FRONT ROYAL.**  
We think that the prospects for the future prosperity of our county and town are more encouraging than they have been at any time since the war.

It is now certain that the work on the projected Shenandoah Valley Railroad will commence at an early day, and the stem we are authoritatively advised, will be rebuilt without delay. Now, with a depot on the old site for the O. A. & M. R. R., and another on the west side of our town for the S. V. R. R., our little burg will "rise, Phoenix like, from her ashes," and many of our citizens will live to see Front Royal a "hive" and flourishing city. Front Royal will be the great outlet for Warren and the adjoining counties, for the products of the rich Valley farms, and also for the vast amount of valuable ore that now lies slumbering in the bowels of the mountains bordering the new route, which only awaits the requisite capital and labor to bring them into market. By having these two railroads through our town, a lively competition will naturally arise which will reduce freight to a standard that every available product can be put into market.

There is another important fact—perhaps unknown to those who have lived all their lives beyond the sound of the "whistle"—outside of the thousand and one advantages derived from railroads, and that is, that every farm through which the railroad passes will be enhanced in value five hundred per cent.

It is stated that a young man has made an engagement to drop himself from the new Niagara suspension bridge into the river beneath, a distance of 200 feet, on the 13th of August next, for the sum of \$10,000.

**THE BOARD OF HEALTH.**  
The City Council, met at the election of the Board of Health, and organized by electing Dr. W. L. Hammond, President; James W. Nalls, Secretary, and L. Robey, Messenger. The Board consists of the following named gentlemen:

1st Ward—Robert Bell, Jr., Norman F. Moore and Joseph Grimes.  
2nd Ward—F. G. Swaine, Joseph Broders and Joseph Hopkin.  
3rd Ward—P. G. Henderson, J. T. Armstrong and John S. Emerson.  
4th Ward—R. L. Carne, James W. Nalls and M. Eldridge.

Ordered by the Board, That the following notice shall be incorporated with the proceedings of the meeting, and published for one week, every other day, in the Alexandria Gazette.

The Board of Health of the city of Alexandria respectfully request the prompt and serious attention of the citizens to the following sanitary regulations and considerations, and ask their co-operation in carrying them out, assuring them that it is the determination of every member of the Board in his respective district to do all in his power to keep the city in a cleanly condition by enforcing all the laws in the case made and provided.

**AN ACT to prevent nuisances.**  
Section 1. Be it enacted by the City Council of Alexandria, That no person or persons shall discharge, cast or cause to flow upon any of the streets, lanes or alleys, or any part of the city, any kitchen offal, liquid or solid, but shall deposit the same in some suitable vessel, there to be kept until called for and removed in the manner hereinafter provided.

**Section 2.** It shall be the duty of the Trustees of the Poor to cause all such offal to be called for, collected and removed four times a week in the months of May, June, July, August and September, and twice a week during the remainder of the year, for the use and benefit of the Alms House.

**Section 3.** Any person or persons, his or their servants, who shall violate any of the provisions of this act shall forfeit and pay not less than the sum of one dollar, and not more than five dollars, to be recovered as other fines and forfeitures are recovered.

**Section 4.** It shall be the duty of the Board of Health, Superintendent of Police and Police, to cause the provisions of this act to be strictly complied with and enforced.

**Section 5.** This act shall be in force from its passage.

Passed July 10th, 1870.

The citizens are requested in case of any negligence on the part of the drivers of the garbage carts, to call at their houses, to leave their names and the number of their residences, with any member of the Board of Trustees of the Poor. This will enable the Board to take certain remedy for the institution complained of.

The citizens are also respectfully requested to remove immediately from their respective premises all offal matter, manure or any other nuisance which may endanger the health of the city, and they are hereby notified that on or before the first of August the members of the Board will visit their respective districts, to see whether these regulations have been complied with.

The citizens are also respectfully requested to keep this notice for future reference so that they may see who are the members of the Board and the location of their respective districts, and they are asked as a favor this: That when they are personally cognizant of any nuisance to report at once to the proper authorities, viz: the members of the Board in whose districts the nuisance exists, assuring them that it is the only legitimate way to abate any evil existing near their premises.

The citizens are also requested to keep their gutters clean and brush the dirt from before their premises to the centre of the street.

W. LEON HAMMOND, M. D., President.  
JAMES W. NALLS, Sec'y.
